Golf Flags

FABRIC: DuraKnitIII[®]

HARDWARE: 14" White Plastic Tube

SIZE: 14"x20"

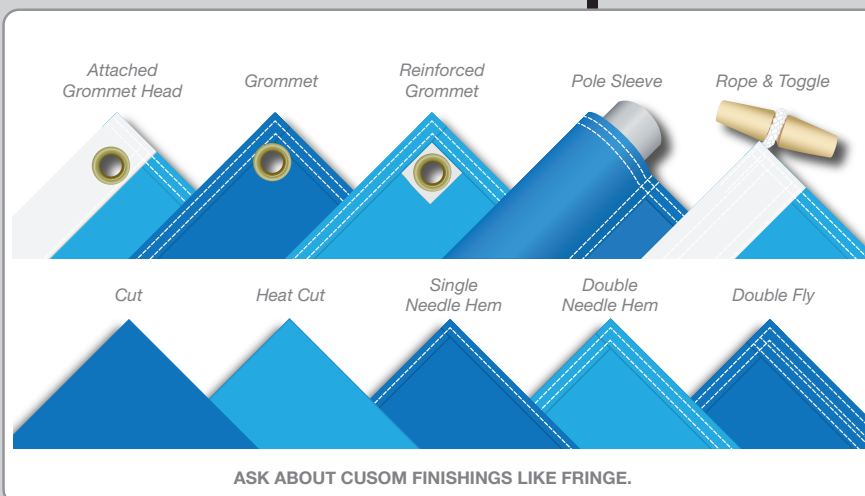

**Pole not included.*

You can have just about anything turned into a flag or banner! Send us your artwork, and we can take care of the rest. We can print one flag or we can print thousands of flags. Basically, we're saying - Yes! We can do that.

FABRIC:

Outdoor flags are usually printed on DuraKnitIII[®]. But we do have other options available. Ask for samples of our flag materials or talk to one of our Sales Representatives to help choose the best fabric for your project.

Psst...we sell flag poles too!

DuraDouble II Drop

Advertising - Trade Shows - Outdoor/Indoor Events

DuraDouble II is our best selling product. The DuraDouble II (or as we call it: DDII), is a very versatile, economical and creative way to draw attention and get noticed. Backdrop Adjustable

Trade Shows - Camera Backdrops - Events - Fundraisers

This compact Adjustable Backdrop is a more economical solution to our Pop Up Backdrop or for those looking to get some sort of graphic space behind them. Because of its adjustable nature (the same hardware can hold a 6' wide banner to a 10' wide banner), it does require a bit of finesse to set up.

HARDWARE SPECIFICATIONS

- Height Max: 89".
- Width: 72" to 120".
- Telescoping aluminum frame.
- Black canvas carry bag.
- Some assembly required for set up.

BANNER SPECIFICATIONS

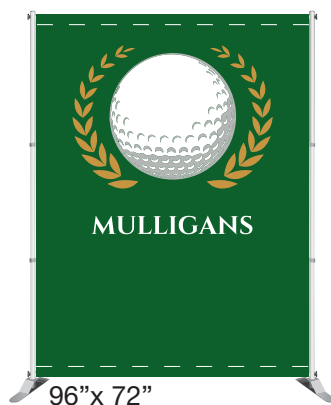

- Printed on DuraMatte.
- Single-sided.
- Sewn sleeve top and bottom.
- Standard 8'x 6', 8'x 8' and 8'x 10' sizes.
- Size could be customized within restraints.

OPTIONAL

- Fire retardant.

FEATURES

- Easy to transport and carry.
- Graphics look spectacular on DuraMatte.
- Order banner separately if your message changes.
- Fabric creates a great photo backdrop because it doesn't reflect the flash of the camera!

Fencing

Outdoor Events - Construction Sites - Wayfinding

Fencing is a customizable and bold way to advertise events, display sponsorship signage, create wayfinding or even covering unsightly areas during construction. Due to the size of these banners, your message can be extremely effective and it can have even more impact when used in multiples.

Fencing is typically printed on mesh, and we have many fabrics to choose from. Mesh is ideal because it has tiny vents allowing wind to blow through which is important when covering such a large stationary area.

SPECIFICATIONS

- Printed on Mesh polyester.
- Finished to your size.
- Image shows from both sides (single face reverse)
- Usually grommeted every 2' and attached with tie wraps.

OPTIONS

- Ask about printing on vinyl mesh!
